

# Austin Interior Designer Living Oak Raises \$28,000 for Children's Therapy Through 3rd Annual Design For A Cause

*Living Oak Interior Design's Design For A Cause raises record \$28,000 for Austin children needing speech, occupational, and physical therapy services.*

AUSTIN, TX, UNITED STATES, January 30, 2026 /EINPresswire.com/ -- [Living Oak Interior Design](#) announced the success of its 3rd Annual "Design For A Cause" benefit event, which raised over \$28,000 for The Children's Therapy Spot scholarship fund. The November 14, 2025 event drew approximately 130 attendees to the firm's Brentwood location for an evening of art, live music, raffles, games, a silent auction, and philanthropy.

Design For A Cause 2025

“

Seeing this event grow each year and knowing how many children are directly impacted due to this community's generosity, is exactly why we do what we do.”

*Laura Williams*

The record-breaking fundraising total represents significant growth for the annual event, which raised \$6,000 in its inaugural year and \$16,000 in year two. Over three years, Design For A Cause has now generated more than \$50,000 in total contributions, helping provide speech, occupational, and physical therapy sessions to many families in the Austin area.

"When we started Design For A Cause three years ago, we hoped to make a meaningful difference for families who couldn't afford the therapy their children needed," said Laura Williams, Founder and Principal Designer of Living Oak Interior Design. "Seeing this event grow each year and

knowing how many children are directly impacted due to this community's generosity, is exactly why we do what we do."

The Children's Therapy Spot is a multidisciplinary clinic providing speech-language therapy, occupational therapy, and physical therapy to children with a wide variety of diagnoses. Annual therapy costs can range from \$5,000 for a single discipline to \$20,000 or more for children with Autism, creating significant financial barriers for families without adequate insurance coverage.

The evening featured a silent auction, raffle, wine tasting, a local art exhibition, live music, and shopping at [Living Oak Home](#), with 10 percent of all retail purchases donated to the scholarship fund.

Living Oak Interior Design extends its gratitude to the event's sponsors, including Four Hands, The Morshed Group, Cool Creek Family Dental, Unicorn Moving and Storage and many others, whose support helped make the record-breaking fundraiser possible.

Design For A Cause is expected to return for its fourth annual fundraiser in November 2026.

#### About Living Oak Interior Design

Living Oak Interior Design is a nationally recognized design studio based in Austin, Texas. Founded by Laura Williams in 2021, the firm specializes in whole-home transformations, large-scale remodels, new construction design, and boutique commercial projects.
