Declared by The Huffington Post as “the real hero of sitcom TV,” Patricia Williams (aka Ms. Pat) is a comedian, author, radio host, podcaster, and actress. Her critically acclaimed multi-E Emmy nominated sitcom The Ms. Pat Show, produced by Lee Daniels and Brian Grazer, is entering its 5th Season. The R-rated series is streaming on BET+ and Paramount+ with an edited version airing on BET linear. The premiere of the show shattered viewership records on the streamer almost crashing the app and garnered Emmy nominations in the “Outstanding Direction for a Comedy Series” category in 2022, 2023, and 2024. The Ms. Pat Show, based on Pat’s real-life story of an inner-city drug dealer turned suburban mom, has been a hit with fans and critics alike. The Hollywood Reporter raved “Think Roseanne of the 1980s and 1990s, but even rawer” and Essence Magazine gushed “Ms. Pat is headed for the comedy stratosphere.”

Following the success of The Ms. Pat Show, BET/Paramount Global signed Pat to a multi-genre overall deal under which she debuted her weekly court show Ms. Pat Settles It on BET linear.

Another hit for the rapidly emerging entertainment mogul, the series will premiere its 3rd Season on November 4th, 2025.

Pat's previous standup special Y'All Wanna Hear Something Crazy? directed by comedy legend Robert Townsend and Executive Produced by Wanda Sykes, is currently streaming on Netflix. The New York Times described the hour as "superb material" while Indiewire offered "There are a lot of comedy specials on Netflix these days, but Ms. Pat breaks through the noise."
