

# CompuGroup Medical's ARIA Ranked #1 with Best in KLAS Award for RCM Services Third Year in a Row

*Voice-of-the-customer recognition proving sustained excellence based on exceptional account management and KPI-driven results*

RICHARDSON, TX, UNITED STATES, February 4, 2026 /EINPresswire.com/ -- CompuGroup Medical (CGM), a world leader in healthcare technology solutions, proudly announces that its ARIA Health Services Revenue Cycle Management (RCM) solution has been honored with the prestigious Best in KLAS® award for Ambulatory RCM Services: EHR-Associated for the third consecutive year.

Recognition by KLAS® is a major achievement. The award is based on unbiased customer feedback, and with back-to-back-to-back wins, ARIA

continues to demonstrate sustained excellence over time with exceptional, results-driven billing services as reported in the [2026 Best in KLAS Awards: Software and Services Report](#).

"Our achievement of the Best-in-KLAS award for three years in a row is a testament to our unwavering commitment to enhancing financial operations for healthcare providers," said Benedikt Brueckle, CEO of [CompuGroup Medical US](#). "ARIA Health Services continues to empower healthcare providers with state-of-the-art revenue cycle management tools, ensuring efficiency, accuracy, and above all, the best client account management services and transparency in managing their revenue cycle. This repeat award proves that our continued investment in AI-enabled, process-driven, and relationship-based services is making a real difference."
