

Compass Furnished Apartments Recognized in Aires Circle of Excellence for 2025 Performance

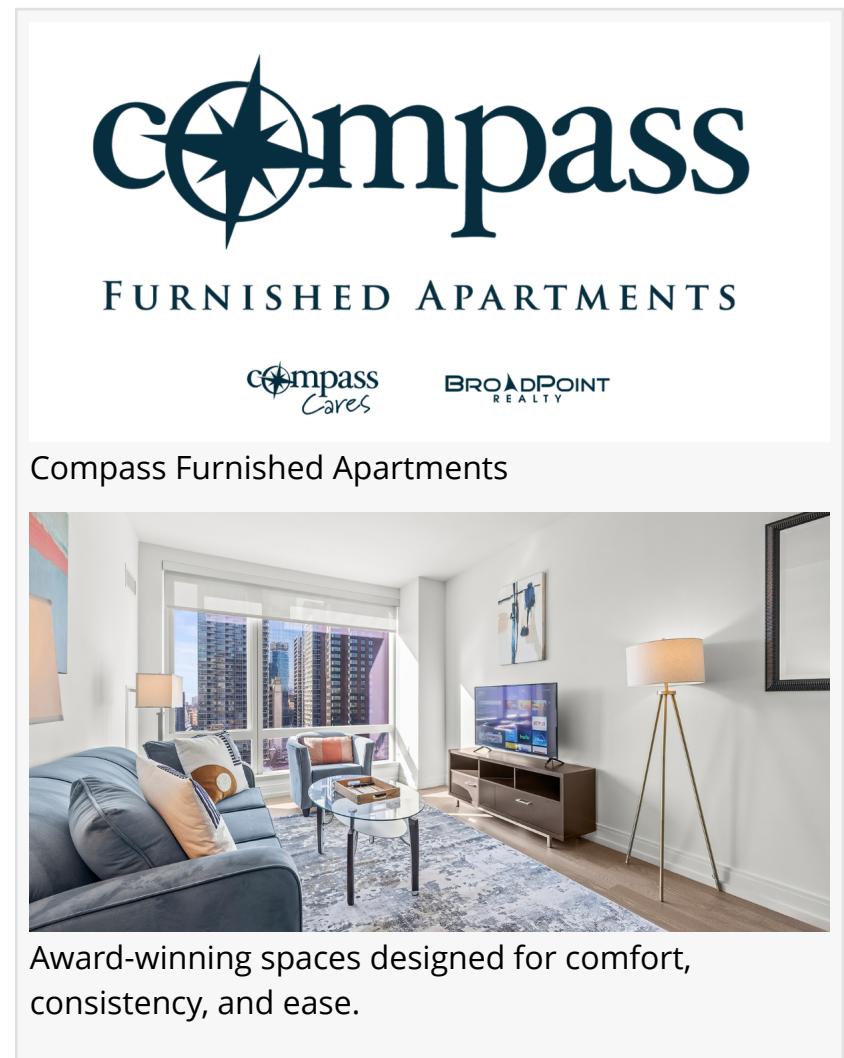

Honored for Consistent Service Excellence and Partner Performance

QUINCY, MA, UNITED STATES, February 2, 2026 /EINPresswire.com/ -- [Compass Furnished Apartments](#) is proud to announce its recognition in the [Aires](#) Circle of Excellence, earning a 91.2% Post Relocation Survey (PRS) score for year-end 2025 performance.

A score above 90% places Compass Furnished Apartments among an elite group of Aires partners worldwide who consistently deliver exceptional service and exceed client expectations. Aires' PRS evaluates partner performance directly through transferee feedback, measuring real experiences across service quality, responsiveness, and overall satisfaction.

Aires' preferred partner benchmark requires a minimum score of 88% (4.4 out of 5). Compass Furnished Apartments not only exceeded this threshold but demonstrated consistent, high-quality performance across relocations.

"Achieving a 91.2% PRS score is a reflection of our team's unwavering commitment to service excellence," said Chris Fleming, CEO of Compass Furnished Apartments. "We're honored to be recognized by Aires and grateful for the trust they place in us as a preferred and strategic partner."

The image features the Compass Furnished Apartments logo, which includes a stylized compass rose icon and the text "compass" in a large serif font, with "FURNISHED APARTMENTS" in a smaller sans-serif font below it. Below the logo are two smaller logos: "compass Cares" and "BROADPOINT REALTY". To the right of the text is a photograph of a modern living room. The room has a large window offering a view of a city skyline. It is furnished with a blue sofa, a small round glass coffee table, a blue armchair, a dark wooden TV stand with a flat-screen TV, and a tall floor lamp. The room is well-lit with natural light from the window and has a modern, clean aesthetic.
