

Bethesda Plastic Surgeon Recognized as a 2025 Top Doctor

Mark Richards, MD – a renowned physician and plastic surgeon in Bethesda – has been named a Top Doctor by Castle Connolly® and Bethesda Magazine.

BETHESDA, MD, UNITED STATES, February 3, 2026 /EINPresswire.com/ -- Double board-certified [Bethesda plastic surgeon](#) Mark Richards, MD has been recognized as a 2025 Top Doctor by two highly regarded medical publications.

Dr. Richards was featured in the July/August 2025 issue of Bethesda Magazine as part of its annual Top Doctors list, which highlights physicians who are nominated and vetted by fellow medical professionals throughout the region. He was also named a Castle Connolly® Top Doctor for 2025, an honor

awarded to a select group of physicians nationwide who demonstrate exceptional clinical expertise, professional leadership, and a strong reputation among peers.

Both recognitions are based on rigorous, merit-based selection processes that rely heavily on peer nominations and in-depth evaluations of a physician's training, experience, and professional achievements. Inclusion is limited to a small percentage of doctors and is intended to help patients identify physicians who are widely respected within the medical community.

"These distinctions are especially meaningful because they are rooted in peer evaluation and professional standards," says Dr. Richards. "I'm grateful to my colleagues for this recognition and to the patients who place their trust in me every day."
