

webFEAT Complete Wins Multiple TechBehemoths 2025 Awards as Agency Nears 27-Year Milestone

WebFEAT Complete wins multiple TechBehemoths 2025 Awards for SEO, WordPress, and PPC services as the agency approaches 27 years in business.

CINCINNATI, OH, UNITED STATES, February 2, 2026 /EINPresswire.com/ -- [webFEAT Complete](https://www.webFEATComplete.com/), a full-service digital marketing agency based in Cincinnati, is proud to announce that it has been recognized with multiple TechBehemoths 2025 Awards, earning top honors for Search Engine Optimization (SEO), WordPress Development, and Pay-Per-Click (PPC) Advertising services.

The [TechBehemoths Awards](#) highlight agencies that demonstrate consistent excellence, proven results, and client trust across key areas of digital marketing. These recognitions reinforce webFEAT's long-standing commitment to delivering measurable results through strategic execution, technical expertise, and forward-thinking digital solutions.

For more than two decades, webFEAT Complete has helped businesses across industries navigate an ever-changing digital landscape - adapting early to new platforms, algorithms, and technologies to keep clients ahead of the curve. From evolving SEO best practices and high-performance WordPress sites to data-driven paid media strategies, the agency continues to invest in innovation as digital behavior shifts toward AI-powered search, zero-click results, and smarter automation.

"This recognition is a reflection of our team's dedication to staying ahead of digital trends, not reacting to them," said [Michelle Selnick](#), CEO of webFEAT Complete. "We've always believed that long-term success comes from combining strong fundamentals with a willingness to learn and evolve."

As webFEAT Complete celebrates its TechBehemoths wins, the agency is also preparing to mark a major milestone: 27 years in business. Founded in 1999, webFEAT Complete has grown alongside the internet itself - supporting clients through the rise of search engines, social media, mobile, and now AI-driven discovery.

With its eyes on the future, the firm remains committed to helping businesses stay visible, competitive, and relevant as digital marketing continues to evolve at record speed.
