

Wolf River Construction Expands Emergency Services for Homeowners Across the Midwest

Services for Storm, Fire, and Water Damage Provide Faster Relief and Long-Term Protection

ISANTI, MN, UNITED STATES, February 3, 2026 /EINPresswire.com/ -- Wolf River Construction, a [trusted name in quality home construction and restoration](#), has announced the expansion of its emergency response division, now offering 24/7 [emergency services for Storm, Fire, and Water](#). The company's new comprehensive services ensure homeowners have a single, reliable partner when disaster strikes — delivering rapid response, transparent communication, and lasting repairs.

“

Our goal is to be there for our customers when they need help most — restoring their homes quickly and giving them peace of mind knowing that the repairs are built to last.”

*Vladimir Marchenko, CEO of
Wolf River Construction*

“Midwestern weather and home emergencies can happen without warning,” stated Vladimir Marchenko, President of Wolf River Construction. “Our goal is to be there for our customers when they need help most — restoring their homes quickly and giving them peace of mind knowing that the repairs are built to last.”

Wolf River Construction's expanded services include:

- 24/7 Emergency Response for Fire, Water, & Storm Damage
- Fast Damage Assessment & Property Stabilization
- [Complete Fire & Smoke Restoration Services](#)

- Water Extraction, Drying & Structural Repairs
- Roofing, Siding & Structural Reconstruction
- Insurance Claim Assistance & Transparent Communication
- Built-to-Last Repairs Backed by Warranties

Each service is designed to help homeowners recover faster while preventing future issues. From

initial cleanup to full reconstruction, Wolf River Construction's licensed and experienced crews handle every stage of the process — working directly with insurance providers to simplify claims and reduce stress for homeowners.

"Our customers know us for craftsmanship and honesty," said Vladimir Marchenko. "These new emergency services are a natural extension of that commitment. When people call us after a storm, fire, or flood, they know they're not getting just a contractor — but a partner who cares about their home and their safety."

Wolf River Construction serves communities across Minnesota, Wisconsin, Iowa, North Dakota and South Dakota and remains dedicated to providing dependable, built-to-last solutions for every home and every situation.
