

Concierge Home Tech Services Brings Expert In-Home Tech Support to Walla Walla Seniors

WALLA WALLA, WA, UNITED STATES, February 4, 2026 /EINPresswire.com/ -- [Concierge Home Tech Services](#) today launches personalized, white-glove technology assistance for seniors and busy households throughout Walla Walla and College Place. Owner [Craig Hurst](#), drawing on 30 years of executive expertise at Intel, offers patient, in-home solutions to conquer everyday tech challenges—from smart home setups to device troubleshooting—empowering clients to navigate the digital world with confidence.

This service arrives at a pivotal moment, as Washington seniors increasingly rely on technology for healthcare, connectivity, and entertainment amid rising smart device

adoption. Hurst's concierge model eliminates frustration with jargon-free guidance, \$99 hourly rates billed in 15-minute increments, and flexible remote or on-site visits. "Technology should simplify life, not complicate it," Hurst states. "We've tailored our approach for Walla Walla's vibrant senior community and families needing reliable help with Wi-Fi, antivirus, smart TVs, and security systems."
