With more than four decades of experience as CEO of Petroleum & Franchise Capital, providing financing to experienced, real estate-based retail petroleum operators and Dunkin' Donuts franchisees, Stanley has proven himself to be an expert in his field. A dynamic, results-driven leader, Mr. Moskowitz now serves as Chairman of Feeasy.

Mr. Moskowitz collaborated with co-founders Jac Credaroli and John Giannone to create Feeasy® in Greenwich, Connecticut, and the results were immediate and transformative. In less than two years, the Feeasy® origination platform has offered real estate agents and brokers nationwide the opportunity to create greater value for their clients' properties by addressing an untapped niche market. Feeasy is a financial technology platform designed to help individuals obtain loans

for real estate-related expenses, including moving costs, first month's rent, security deposits, and painting and staging services. The platform connects borrowers with lending partners offering unsecured, fixed-rate loans.

In conjunction with Jac and John's extensive real estate experience, Stanley's deep expertise in consumer and corporate finance has been a driving force behind the company's meteoric rise. The Feeasy business model benefits all participants in the real estate ecosystem, including homeowners who achieve higher sale prices, real estate agents and brokers who earn increased commissions, and construction professionals, contractors, stagers, and service providers who support property enhancements.

Prior to embarking on his distinguished career, Stanley earned his MBA in Corporate Finance from St. John's University.

Throughout his illustrious career, Mr. Stanley Moskowitz has received many awards and accolades and has been recognized worldwide for his accomplishments. This year, he will be considered to be featured in TIP (Top Industry Professionals) Magazine. This year, he will be honored with the prestigious Executive Chairman Lifetime Achievement Award at IAOTP's Annual Awards Gala at the iconic Plaza Hotel in New York City, December 2026

Looking back, Stanley attributes his success to his perseverance, work ethic, and mentors along the way. When not working, he enjoys traveling and spending time with his family. In the future, he hopes to inspire and influence those getting into the field.
