

# Amazon Bestselling Author E. Masson Launches Breathtaking New Romance 'Selecting The Wrong Love'

*Reader's Favorite 5-Star novel explores the devastating consequences of choosing the wrong man*

PARRISH, FL, UNITED STATES, February 5, 2026 /EINPresswire.com/ -- Amazon Bestselling Author E. Masson, in collaboration with romance author Julie G. Henry, unveils "[Selecting The Wrong Love](#)," the first book in The LoveWade Tale Series—a heart-wrenching story that asks: What if you chose the wrong person at the most important crossroads of your life?

Three men. One future. A choice that will change everything.

Amber's life was perfectly planned until one man destroyed everything she thought she knew about love. Medical school dropout. Failed marriage. Shattered dreams. This wasn't supposed to be Amber's story.

She was the girl with the plan. Top grades, medical school acceptance, a future that would finally repay her mother's sacrifices. Nothing could derail her—until James crashed into her life with his gentle hands and devastating smile. He became her anchor in the chaos of university life, the friend who never asked for more even though his eyes burned with want every time he looked at her.

But Amber didn't want safe. She wanted spectacular. Levi was spectacular. Confident, brilliant, already making waves in their medical program. When he pursued her, Amber felt chosen. Special. Like she'd finally found her equal.

However, fate had other plans. One positive pregnancy test later, her carefully constructed future collapsed. Amber chose love over dreams. And she chose wrong.

Now her marriage is a beautiful lie falling apart at the seams. Her dreams are buried under years of playing the perfect wife to an imperfect husband. And James—sweet, devoted James—has built the life she always admired while she wasn't looking. He's still single. Still successful. Still quietly loving the woman who shattered his heart for someone else.

So what if someone else is dreaming of the same fairytale ending? Perhaps Amber needs to sacrifice a bit more to secure her happiness with Levi. Or maybe—just maybe—she placed her bet on the wrong prince...

But second chances are fragile things. And Amber's about to discover that some windows close forever.

"Selecting The Wrong Love" has earned Reader's Favorite 5-Star recognition, joining E. Masson's acclaimed body of work that includes the internationally successful "Empire of Billions: The Quadrillionaire Brothers."
