

OMEGA X Embarks on Their First European Tour, RE:CONNECT

NEW YORK, NY, UNITED STATES, February 6, 2026 /EINPresswire.com/ -- [OMEGA X](#) has announced that six members of the group, Jaehan, Sebin, Xen, Jehyun, Kevin, and Yechan, will begin their first European tour since the group's debut. The tour's title, RE:CONNECT, represents tightening the invisible bond between OMEGA X and their fandom, FOR X, once again, and reconnecting firmly through music. They will be kicking off the RE:CONNECT tour in Paris on February 10th and will be meeting their fans across Europe, including Frankfurt, Berlin, Warsaw, Vienna (OFF STAGE Busking and Fan Event Only), Budapest, Helsinki, and concluding the tour in Milan on February 24th.

"I'm very excited to visit Europe for the first time, and I cannot wait to create happy and fun memories with our fans who have been waiting for us for a long time in Europe. I also look forward to seeing, feeling, and capturing many moments from this tour. I hope you stay healthy while waiting for the day we meet, and we'll also make sure to prepare well for the tour. See you in Europe, FOR X!" - Xen, member of OMEGA X

For this tour, OMEGA X partnered with the global K-pop platform, hellolive, which helped them design an optimized stage flow and customized events that can bring artists and fans together as closely as possible. The tour will feature fan interaction packages such as fan sign events and photo sessions, as well as digital packages for fans who are unable to attend the tour in person, including live streaming, mini live sessions, and video call events. Through these events, the RE:CONNECT tour will allow fans to communicate with the group in real time from anywhere around the world, with hellolive's tour operation expertise in connecting artists and global fans as one.

"Since this is the first overseas tour after I completed my military service, I will prepare well to show great performances for all FOR X who have been waiting for us. I miss you all so much, and
