The UAE Golden Visa was officially presented to Jyotsna Radhakrishnan on February 6, 2026, at Best Solution Business Setup Consultancy's headquarters in Business Bay, Dubai. The Vssisa & Momento was presented by CEO Mr. Essa Al Harthi, who added,

“It is a privilege to support Jyotsna Radhakrishnan's UAE Golden Visa, recognising her exceptional contribution to music and the arts. Following our recent Golden Visa facilitation for Sayanora Philip, this milestone further reflects Best Solution's continued commitment to

supporting South Indian creative talent in establishing long-term roots in the UAE.”

The ceremony was coordinated by General Manager Mr. Vipin Kumar, with Jyotsna's Manager and the entire Best Solution team joining in to celebrate the occasion.

The formal gathering was especially meaningful, reflecting the deep cultural bond between Kerala and the UAE, made even more personal by Jyotsna's early musical roots in Abu Dhabi. Accepting the honour, she added,

"The UAE is where I grew up and first discovered my voice, so receiving this Golden Visa feels like coming full circle. I'm grateful for this honour and look forward to giving back by supporting and nurturing young musical talent in Dubai."

With three industry Film Awards, 1,000+ songs across 12 languages, and a voice that has shaped some of South India's most iconic film moments, Jyotsna stands as a true musical powerhouse. From soulful Carnatic melodies to electrifying high-energy performances, she has won hearts across generations.

Born in Kuwait and raised in Abu Dhabi, her musical journey began at the Asian International School in Ruwais. Trained in both Carnatic and Hindustani classical, she entered films in 2002 and shot to fame with the unforgettable "Sughamanee Nilavu" (Nammal). Since then, hit after hit followed, including fan favourites and award winnings like "Karuppinazhaku," "Themma Themma Themmadikkatte," and "Meheruba."

And she's not just a singer. Jyotsna has also made her mark as a composer, songwriter, and TV judge, while touring globally across the UK, USA, Australia, and Singapore. Today, she enjoys 2 million+ monthly Spotify listeners and in 2025, she inspired many by openly sharing her adult autism diagnosis through a powerful TEDx Talk, becoming a strong voice for neurodiversity awareness.

Jyotsna's Golden Visa also follows Best Solution's recent facilitation of the same honour for Kerala-born singer and composer Sayanora Philip, a Kerala State Film Award winner, whose Golden Visa was awarded on August 1, 2025. Together, these achievements highlight Best Solution's growing expertise in supporting the South Indian creative community and the UAE's rising status as a global home for India's finest artistic talent.
