

CleanGo Innovations Receives Invitation to the Canadian Infrastructure Trade Delegation in Saudi Arabia

CleanGo is proud to announce its selection to the Canada Trade Mission in Saudi Arabia, This is organized in coordination with the Embassy of Canada in Riyadh

HOUSTON, TX, UNITED STATES,

February 9, 2026 /EINPresswire.com/ -- [CleanGo Innovations Inc.](https://www.clean-go.com) (CSE:CGII) (OTC:CLGO.F)

(FRA:APO2) ("CleanGo" or the "Company"), a global leader in proprietary green technology solutions, CleanGo is proud to announce its selection for the upcoming Canada Trade Mission to Saudi Arabia, scheduled for February 7–12, 2026. This strategic mission, organized in

coordination with the Embassy of Canada in Riyadh, aims to bridge Canadian innovation with the rapid infrastructure and clean technology expansions currently underway in the Kingdom.

Accompanied by a distinguished delegation—including H.E. Jean-Philippe Linteau, Ambassador of Canada, and Julie Forrest, Senior Trade Commissioner—CleanGo will engage with Saudi Arabia’s top-tier decision-makers to support the goals of Saudi Vision 2030.

“

As Saudi Arabia prepares to host the world at Expo 2030, CleanGo is ready to provide high-efficiency solutions and we are honored to represent the Canadian Clean-Tech Sector on this global stage.”

Anthony Sarvucci

Strategic Engagements in Jeddah and Riyadh

The mission features an intensive itinerary designed to

integrate CleanGo’s sustainable solutions into major Saudi developments:

- Infrastructure & Clean Tech: High-level briefings with the TFM Group and the Jeddah Chamber of Commerce to address the Kingdom’s growing demand for green infrastructure.
- Mega-Project Consultations: Exclusive site visits and meetings with King Salman International Airport, Jeddah Airports Co. (JEDCO), and the Expo 2030 Riyadh committee.
- PIF Private Sector Forum: CleanGo will participate in the Public Investment Fund (PIF) forum in Riyadh, the epicenter of Saudi Arabia’s economic transformation.
- Industrial Partnerships: Direct B2B sessions with industry leaders including Albawani Contracting, Al Fanar Group, and El Seif Engineering to explore long-term collaborative

opportunities.

Commitment to Sustainable Growth

“This mission represents a significant milestone for CleanGo,” said Anthony Sarvucci CEO/President of CleanGo Innovations Inc. “As Saudi Arabia scales its infrastructure to host the world at Expo 2030, CleanGo is ready to provide the sustainable, high-efficiency solutions required for world-class facilities. We are honored to represent the Canadian Clean-Tech Sector on this global stage.”

About CleanGo Innovations

CleanGo Innovations Inc. is an international, publicly traded company that specializes in the development of early-staged, green, non-toxic and sustainable products used in retail, commercial and industrial applications.

The company is proud of its suite of proprietary, Green Seal Certified non-toxic green products that are Health Canada approved to claim 99.9% disinfecting of viruses and bacteria on a hard surface. CleanGo’s portfolio is proud to be a part of Cruelty Free / Leaping Bunny as a certified product while being both family and pet safe. It is CleanGo’s mission to create the world’s leading non-toxic, green solutions for the worlds cleaning problems.

CleanGo Innovation’s experienced team brings new ideas and innovation based on science to find solutions to the problems of the current world we live in. Customers rely on quality, nontoxic products to keep their homes and business’s clean and their loved ones safe. CleanGo also has several Commercial and Industrial applications to solve many problems of the worlds heavier and large-scale cleaning problems.
