Guests will step into a luxurious ambiance where artistry and philanthropy are seamlessly intertwined. Surrounded by candlelight, attendees will enjoy an intimate concert featuring internationally acclaimed pianist and composer Oksana Kolesnikova, legendary world guitarist Ardeshir Farah (of the renowned duo [Strunz & Farah](#)), and guitar virtuoso Luis Villegas. Together, these celebrated artists will deliver a rare evening of soulful, genre-spanning performances designed to inspire, uplift, and captivate.

Adding to the night's exclusivity, the event will host a world premiere moment. Italy's celebrated luthier and event title sponsor Mirko Borghino will unveil his extraordinary creation: the world's first archtop marble guitar. This singular instrument, a fusion of sculptural design, innovation, and uncompromising craftsmanship, is poised to become a coveted masterpiece for the most discerning collectors and connoisseurs of fine instruments.

Guests seeking an elevated experience may indulge in the VIP Experience, arriving in style to enjoy elegant hors d'oeuvres, signature cocktails, and an exclusive cigar bar, all curated to

All proceeds from Strings of Light will directly benefit the Oksana Foundation, a nonprofit organization dedicated to providing music and arts education to underserved children and seniors, opening doors to creativity, confidence, and cultural enrichment. By attending or sponsoring the event, supporters help illuminate new opportunities for those who might not otherwise have access to high-quality arts programs.
