Chenango, Delaware, and Otsego, NY

UNYREIS® and partner association members will also gain access to current listings from Bronx, Dutchess, Nassau, Orange, Putnam, Queens, Rockland, Suffolk, Sullivan, and Westchester counties, plus partial coverage in Manhattan, Brooklyn, and Ulster.

“We are excited to begin sharing MLS listing information with OneKey® MLS. We are seeing increased movement of consumers between our markets, and we are thrilled to provide real estate professionals with the most up-to-date and complete database of active listings so they can seamlessly serve their buyer and seller clients,” said James Yockel, Chief Executive Officer of Greater Rochester Association of REALTORS®.

Steve Rose, NY State Licensed Real Estate Broker, Coldwell Banker Timberland Properties, said, “Today’s agreement with OneKey® MLS demonstrates our commitment to transparency and collaboration. Implementation details are being finalized, with a tentative launch planned for Q2 2026.
