

# EthosEnergy Strengthens Portfolio with Frame 9FA.03 IP

TORINO, ITALY, February 10, 2026 /EINPresswire.com/ -- [EthosEnergy](#) has announced a significant milestone in its growth strategy, the successful acquisition of Intellectual Property (IP) that enhances the company's competence in servicing Frame 9FA.03 gas turbines.

Newly obtained expertise expands EthosEnergy's existing in-house gas turbine capabilities, which include rotor lifetime extension solutions, maintenance, parts and component repairs, field services, optimization and upgrades. This addition provides the technical foundation to support hot-gas path components and combustion parts for Frame 9FA.03, ensuring comprehensive coverage of these vital sections of the turbine.

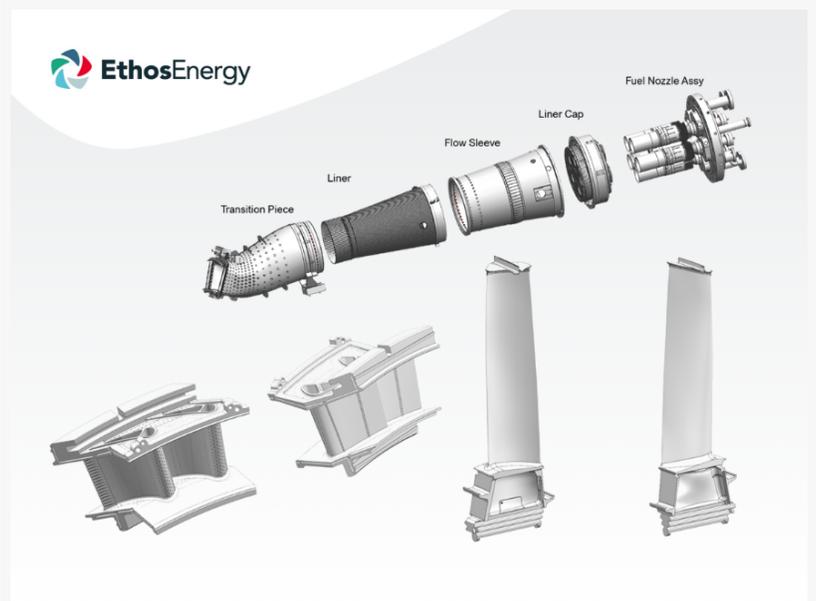

Effective globally, this development represents a strategic advancement for EthosEnergy, reinforcing its position as a trusted partner in the energy sector for heavy duty gas turbine services.

With more than 100 years of experience as the OEM for mature Fiat and Westinghouse units, EthosEnergy brings deep expertise across a broad range of gas turbines, including Frames 3, 5, 6, 7, and 9. The company delivers flexible, cost effective, and innovative solutions to operators worldwide.

In 2025, EthosEnergy accelerated its growth with the acquisition of Turbine Services Limited
