

# Indianapolis Rehabilitation Hospital Appoints Dr. Emily Hogancamp as Medical Director

INDIANAPOLIS, IN, UNITED STATES, February 17, 2026 /EINPresswire.com/ -- [Indianapolis Rehabilitation Hospital](#) is pleased to announce the appointment of Emily Hogancamp, MD, as its new Medical Director. Dr. Hogancamp brings over seven years of experience in rehabilitation medicine, clinical leadership, and interdisciplinary care, further strengthening the hospital's commitment to high-quality, patient-centered medical rehabilitation services.

Dr. Hogancamp is a board-certified physician specializing in Physical Medicine and Rehabilitation. She earned her Doctor of Medicine from the University of Kentucky School of Medicine and completed her residency

in Physical Medicine and Rehabilitation at the University of Kentucky College of Medicine. She also holds a Master of Science in Structural and Cellular Biology from Tulane University School of Medicine and completed a global health rotation in Argentina focused on infectious disease and

primary care. Her professional interests include physician wellness, wound care, and advancing comprehensive medical rehabilitation programs through interdisciplinary teamwork.

“

Her clinical leadership and medical oversight will further strengthen the patient outcomes and care delivery we are known for.”
