

Calls for Attorney-Volunteers to Support Service Members Under the SCRA

Armed Forces Committee's Urgent Call to Assist Military Personnel Facing Legal Challenges

LOS ANGELES, CA, UNITED STATES, February 16, 2026 /EINPresswire.com/ -- The Los Angeles County Bar Association ([LACBA](#)) Armed Forces Committee has developed and launched an initiative to help veterans and active-duty service members who are facing legal challenges under the Servicemember Civil Relief Act (SCRA).

In response to a growing influx of service members seeking legal assistance under the Servicemember Civil Relief Act (SCRA), the Los Angeles County Bar Association (LACBA) Armed Forces Committee has launched a targeted initiative in partnership with the Superior Court of Los Angeles to support veterans and active-duty personnel facing legal challenges. This urgent effort was created to address the increasing demand and ensure that those who serve receive the protection and advocacy they need.

This project gives California attorneys a unique opportunity to help protect military personnel, even when duty calls them far from home.

Due to a significant increase in requests for assistance from the Los Angeles Superior Court, the Committee is actively seeking attorney-volunteers for 2026 to provide legal assistance and protection to service members in state and abroad.

Attorneys interested in volunteering and making a difference in the lives of those who serve are encouraged to [register at the committee's web page](#).
