

Plutus Health CEO Thomas John to Speak at BHASE Summit 2026 on Sustainable Revenue for Behavioral Health

Plutus Health announced participation in the 2026 BHASE Summit as a Platinum Sponsor. CEO Thomas John will address revenue workflows for behavioral health.

DALLAS, TX, UNITED STATES, February 11, 2026 /EINPresswire.com/ -- BHASE brings together senior executives, operators, investors, lenders, and advisors from across the behavioral health continuum, including mental health, substance use disorder treatment, ABA, IDD, residential, outpatient, and inpatient care. Plutus Health's presence at the summit underscores the importance of [AI-driven automation and analytics in RCM](#) shaping next-generation revenue operations.

The image is a screenshot of the BHASE 2026 Behavioral Health Summit 2026 Miami website. At the top left is the Plutus Health logo with the tagline 'Excellence in Healthcare Revenue Cycle Management'. At the top right is the BHASE 26 logo with the tagline 'BEHAVIORAL HEALTH SUMMIT 2026 | MIAMI'. The main title is 'Behavioral Health and Addiction Summit for Executives'. Below it are the dates 'February 11-13, 2026' and the location 'Miami, Florida'. A 'PLATINUM SPONSOR' badge is visible. A 'Register Here' button is in an orange box. To the right is a circular image of a large conference hall filled with people. Below this section is a 'FEATURED SPEAKER' box for 'Thomas John, CEO, Plutus Health'. It includes a circular portrait of Thomas John, a man with grey hair and glasses, and the text 'On building sustainable revenue workflows'.

As part of the conference program, Thomas John will discuss revenue workflows that remain stable as operations grow. His session focuses on moving beyond reactive billing models toward disciplined, repeatable systems supported by AI-enabled insights, predictive analytics, and workflow automation that improve predictability and long-term value.

"Sustainable growth in behavioral health depends on revenue operations that can withstand scale and complexity," said Thomas John, CEO of Plutus Health. "This conversation is about combining human expertise with AI-driven intelligence to build workflows that hold — not just processes that function."

As a key sponsor, [Plutus Health at BHASe Summit 2026](#) will actively engage with attendees throughout the summit and provide an exclusive RCM assessment. The company's leadership team will be on-site to connect with executives and investors around revenue integrity, operational clarity, financial sustainability, and the role of AI in reducing revenue leakage and accelerating reimbursement cycles.

Designed as an executive retreat, BHASe Summit emphasizes curated networking and peer-level discussion over traditional conference formats. The summit is widely recognized as a setting where strategic alignment and long-term partnerships are formed.
