

# SABG Awarded \$28M Contract to Support USSF Space Electromagnetic Warfare (SEW) Operations

*SABG awarded \$28 million contract to provide critical support services to Combat Forces Command and Mission Delta 3 for Space Electromagnetic Warfare operations*

FAIRFAX, VA, UNITED STATES, February 11, 2026 /EINPresswire.com/ --

Strategic Alliance Business Group LLC (SABG) has been awarded a \$28 million contract to provide critical support services to Combat Forces Command (CFC) and Mission Delta 3 (MD 3) for Space Electromagnetic Warfare (SEW) operations. This significant contract award expands SABG's partnership with the United States Space Force (USSF) and reinforces our commitment to protecting America's space domain capabilities.

Under this task order, SABG will provide comprehensive advisory and assistance services supporting the full spectrum of space operations including SEW, Space Domain Awareness (SDA), and Orbital Warfare (OW). Our team will deliver architectural and requirement development, technical and logistics analysis, intelligence support, system analysis, and programmatic expertise to ensure USSF forces can effectively generate, present, and sustain mission-critical capabilities across tactical, operational, and strategic levels.

This award represents a significant milestone for SABG as we continue expanding our support to the USSF's evolving mission requirements. Our proven expertise in program management, intelligence support, and mission operations positions us to deliver the specialized knowledge and technical excellence required for these critical national security operations.
