NORMAN, OK, UNITED STATES, February 12, 2026 /EINPresswire.com/ -- [Senior Helpers](#), the nation's premier provider of [in-home senior care](#) services, is proud to announce the opening of its newest location in Norman.

The location, owned and operated by Ryan and Madison Russ, officially began serving the community on February 6, 2026. Madison, a teacher by trade, brings a strong foundation in education, communication, and people-centered leadership, while Ryan contributes extensive business experience backed by his Master of Business Administration. Together, they have built service-driven ventures rooted in integrity, empathy, and community impact. Their leadership philosophy is simple: show up with purpose, lead with compassion, and treat every family with the same care they would want for their own. Through Senior Helpers of Norman, they will provide a wide range of services to help people age comfortably and safely in their homes—from assistance with daily activities to specialized care for chronic conditions.

"Home care is more than assistance—it's the gift of dignity, comfort, and compassion right where it matters most." – Madison Russ

Senior Helpers Caregiver

Senior Helpers is known nationwide for its dependable, consistent, and affordable non-medical senior care services. The company's highly trained and rigorously screened caregivers are dedicated to providing compassionate care while preserving the dignity and independence of their clients. Senior Helpers is also nationally recognized as a top workplace for caregivers.

The Russ family's journey into senior care began after experiencing the need for in-home support within their own family, an experience that revealed just how vital and deeply personal quality care truly is. That moment ignited a calling to stand in the gap for other families, providing the dignity, independence, and compassion they believe every senior deserves. For Ryan and Madison, Senior Helpers is more than a company. As a family-first team raising their child, they are inspired daily to build a legacy of service that uplifts both the seniors they serve and the caregivers they employ.
