Kasumigaseki Capital Group's favorite hospitality group Co., Ltd. (Chiyoda-ku, Tokyo; President: Hidekazu Ogata; hereinafter "FHG") will relaunch seven x seven Itoshima, located in the Itoshima area of Fukuoka Prefecture, on April 1, 2026.

Taste of Element Flavor Dishes

"Sunset Beach Club" is a stay concept where food, music, wellness, and activities come together in quiet harmony against the backdrop of Itoshima's natural beauty. From daytime through sunset and into the evening, guests can enjoy a retreat experience that gently rebalances both body and mind.

### Savoring Itoshima's Elements, Culinary Experiences That Complement Your Stay

In the refreshed dining lounge, tapas are presented to express the flavors of Itoshima's nature, climate, ingredients, and seasonings as "elements." These are curated under the supervision of Chef Mawatari, owner-chef of the popular local bar "klootch," known for its creative cuisine using local Itoshima ingredients.

From light bites to a four-dish tapas meal that highlights the character of each element, the experience goes beyond a simple meal, offering a culinary journey that flows gently with the passage of time.

The drink menu is equally extensive.

Supervised by Mr. Nomura, founder and lead bartender of "The Certain Bar" in Kitakyushu, the lineup features Element Flavor inspired cocktails as well as mocktails for guests who do not consume alcohol.

In addition, the local liquor store "Kawakubo Saketen" curates a selection of Japanese sake based on the owner's personal philosophy, featuring distinguished labels primarily from across Kyushu and offering opportunities to discover a broader range of flavors.

"Taste of Element Flavor Dishes" (Four Tapas Dishes) | ¥6,600 (Tax Included)

This dish features four tapas dishes inspired by the three natural elements, "Fire," "Water," and "Earth," as reflected in ingredient selection, flavor profiles, and cooking methods. Guests are invited to enjoy the culinary story woven by each element.
