

Search Evolution Summit Returns for 2026: The Second Edition with a Three-Day Format

Search Evolution Summit, Romania's first SEO conference, returns with the 2nd edition announced for 2-4 September 2026, Cluj-Napoca, Romania

CLUJ-NAPOCA, CLUJ, ROMANIA, February 12, 2026 /EINPresswire.com/ -- Search Evolution Summit is back for a second edition. The SEO conference, organized by Mixtazure, runs 2-4 September 2026, in Cluj-Napoca, Romania. After drawing 100 participants and 12 speakers in its single-day 2025 debut, the event now stretches across three days with advanced SEO workshops and Romanian-language panels added to the schedule. This year's edition expects 200 participants.

The 2nd edition of Search Evolution Summit 2-4 September 2026 Cluj-Napoca, Romania

“

Our goal for the 2nd edition of Search Evolution Summit is to maintain the same level of quality, so that you can enjoy yourself once again! The 3-day format will also let us provide more value.”

Patrik Rojan - Search Evolution Summit organiser

Three conference days for 2026

The 2025 edition of the conference packed everything into one day. For the 2026 edition the program is split across three days:

Day 0 - (2 September 2026): The pre-conference day will have a private wine tasting and dinner, limited to VIP ticket holders. A certified wine expert leads the tasting, and the menu features traditional Transylvanian cuisine. Speakers and partners attend alongside VIP guests.

Day 1 - (3 September 2026): This is the main conference day. Twelve SEO presentations run throughout the day, with coffee breaks, lunch, and time between sessions to talk directly with the speakers and other attendees. The SEO talks will be held in English by international speakers.

Day 2 - (4 September 2026): The last day will host two advanced SEO workshops which run in English. Separate Romanian-language panels cover SEO & Marketing topics dedicated for Romanian business owners and marketers. The day ends with a networking party open to all ticket holders.
