

# 'Can't-Look-Away Tension' in Debut Second-Chance Romance Draws Critical Praise

*Colorado Author Blends Contemporary Workplace Romance with Gothic Mystery Elements, Free in Kindle Unlimited*

SUPERIOR, CO, UNITED STATES, February 25, 2026 /EINPresswire.com/ -- Erica Devon's debut romance *The One Who Ghosted Me* is now available to readers, earning critical praise from multiple reviewers. Literary Titan compares Devon's approach to Nora Roberts, praising the "old-school, can't-look-away tension" between the protagonists. The International Review of Books calls it a "quietly compelling meditation on courage" with "beautiful writing and an engaging slow-burn romance."

He ghosted her. She still haunts him..

*The One Who GHOSTED ME*

ERICA DEVON

**A Second-Chance Workplace Romance**  
**NOW AVAILABLE!**  
**FREE in KINDLE UNLIMITED**

The One Who Ghosted Me by Erica Devon - Now available free in Kindle Unlimited

The contemporary romance follows Amelia Preston, a widowed geologist forced to work alongside Jonathan Fontaine—the man who ghosted her five years ago, leaving her without explanation or closure.

“

I didn't want to write a heavy tearjerker. Readers will laugh, swoon, and maybe shed a happy tear or two—but always with hope. That's exactly what I was reaching for.”

*Erica Devon*

As they navigate a high-stakes corporate merger in the Pacific Northwest, both must confront whether trust can be rebuilt and second chances are worth the risk. Amelia also discovers century-old journals from a pioneer woman, finding unexpected wisdom that mirrors her own journey. The story will appeal to readers who believe in hope, growth, and earned happy endings, blending workplace tension with emotional vulnerability.

"I didn't want to write a heavy tearjerker," says Devon. "Readers will laugh, swoon, and maybe shed a happy tear

or two—but always with hope. That's exactly what I was reaching for."

Literary Titan notes the book offers contemporary romance, second-chance romance, workplace romance, and "a dash of romantic suspense/gothic-leaning mystery," calling it ideal for readers "who enjoy heroines who insist on stability and still risk tenderness, and heroes who have to choose integrity over the neat, impressive life-plan."

The One Who Ghosted Me is the first in the Fontaine Series, a multi-book collection following the interconnected Fontaine family as they navigate modern relationships, professional challenges, and unexpected connections—always with heart, humor, and hope.

The One Who Ghosted Me is available now on [Amazon](#) and free in Kindle Unlimited.

About Erica Devon:

Erica Devon writes contemporary romance with humor, heart, and happily-ever-afters. After 20 years as a geologist and computer scientist, she brings authenticity to stories of second chances and fated connections. Between writing sessions, she hikes Colorado trails and binges K-Dramas. She lives near Boulder, Colorado with her supportive family.
