-- Pooling Intelligence, Connecting the
World with Light: The 31st Working
Conference of the 2026 APC
International Business Development
Committee Successfully Held

On January 16, 2026, the 31st Working
Conference of the 2026 APC
International Business Development
Committee was successfully held in
Zhuhai. The meeting was chaired by
Gao Feng, Vice Chairman and
Secretary-General of the APC
Association. Attendees included Tan

Huiliang, Chairman of the APC International Business Development Committee, Vice President of Hengtong Group, and President of Hengtong International Industrial Group; Feng Weizhong, International Business Marketing Director of Hengtong; Wen Xiaojiang, General Manager of YOFC International Company; Huang Fei, Vice President of the Wire and Cable Product Line at FiberHome; Wang Bo, Deputy General Manager of the Marketing Department of the Wire and Cable Product Line at FiberHome; Ye Zhifeng, General Manager of the International Business Division of Zhongtian Communication; and Wang Dong, Deputy General Manager of the International Business Division of Zhongtian Communication.

The representatives began by reviewing the work of the APC International Business Development Committee in 2025 and discussing the outlook for the international market in 2026. Against the backdrop of robust global demand and rising prices for optical fiber and cable, the participants exchanged views on how to enhance supply capacity and effectively meet market demand.

The meeting also focused on exploring ways to provide the market with greener, lower-carbon, longer-life, higher-performance, and higher-value-added optical fiber and cable products under the current circumstances, with the goal of promoting the long-term, sustainable, and healthy

development of the global optical fiber and cable industry.
