Nelson C., another client, described the experience: "If you are looking for a reason to get out of the house and have some fun and try something new I definitely recommend going to salsa kings! The music, the teachers, and the other students there create such an awesome environment that you'll want to go back after your first class I guarantee it!"

The studio operates five permanent locations throughout South Florida, serving Latin dance enthusiasts in Miami-Dade County and Broward County. In addition to the monthly free events, Salsa Kings® offers private lessons, group classes, and online instruction.

Background and Operations

Salsa Kings® was established in 1998 when founder Elba, originally from Cuba, identified the absence of formal salsa instruction in Miami despite the city's cultural proximity to Cuba. The studio has operated under the leadership of Andres Fernandez, who brings over 20 years of experience in salsa and the dance industry.

"The motto #BetterTogether captures the spirit of the studio," according to Mr. Andres, Owner of Salsa Kings®. The organization's mission centers on delivering Latin dance instruction within what the company describes as a community-oriented environment.

The leadership structure includes Lester Castillo, Pablo Peña, and Galo Paredes, who work alongside Andres Fernandez in program development and student instruction.

Javier G., a client, noted: "Salsa Kings is easily the most welcoming salsa studio I've tried. The instructors are professional, encouraging, and make learning actually fun. The first class is free, which is perfect if you just want to test it out, and their membership is super affordable for how good the classes are. Great vibes, great people! Highly recommend!"

Service Locations

Salsa Kings® currently operates at five South Florida locations:

- Doral
- Homestead
- Kendall
- Cooper City

- Weston

The studio serves clients throughout Miami-Dade County and Broward County, with plans to open additional locations in Florida.

Beyond the monthly free classes, Salsa Kings® offers multiple service formats including group instruction, private lessons, workshops, and special events. The organization also coordinates an annual salsa cruise through MiamiSalsaCruise.com and provides various dance-related programming throughout the year.

The studio's approach emphasizes accessibility for beginners while maintaining programming for dancers at multiple skill levels. Students who attend classes gain access to the broader Salsa Kings® community, which includes workshops, VIP events, and performance groups.
