ARLINGTON, TX, UNITED STATES, February 17, 2026 /EINPresswire.com/ -- [PRC Equity Fund](#) announced today that it will participate as a Diamond Sponsor at [MoneyShow Las Vegas 2026](#), taking place February 23–25 at Paris Las Vegas. As part of the event’s featured programming, Founder and CEO Charles Williams will present a keynote session on Monday at 11:25 AM, focusing on how Regulation A (“mini-IPO”) offerings are reshaping investor access to opportunities historically limited to accredited investors.

Williams’ keynote will highlight how Regulation A offerings can provide enhanced transparency through publicly filed offering materials, audited financial statements in many cases, and ongoing reporting requirements. The session will also provide investors with a practical framework for evaluating Regulation A opportunities alongside traditional Regulation D private placements, helping attendees better understand liquidity considerations, risk factors, and due-diligence strategies.

“Investor access and transparency are becoming defining themes in today’s capital markets,” said Charles Williams, Founder and CEO of PRC Equity Fund. “Our goal is to help investors understand how Regulation A structures work and how to evaluate opportunities with greater clarity and confidence.”
