

Bit by Bit Celebrates Recognition on CRN's 2026 MSP 500 List

NEW YORK, NY, UNITED STATES, February 19, 2026 /EINPresswire.com/ -- Bit by Bit Computer Consultants, a leading provider of customized managed IT services, announced today that it has been named by CRN, a brand of The Channel Company, to the Managed Service Provider (MSP) 500 list in the [Pioneer 250](#) category for 2026.

CRN's annual MSP 500 list is a comprehensive guide to the leading MSPs in North America. These companies deliver essential managed services that enhance business efficiency, simplify IT, and optimize return on technology investments for their customers.

“

We are honored to once again be recognized by CRN as one of North America's leading managed service providers”

Bruce Steinfeld

“The companies on our 2026 MSP 500 list are redefining what exceptional managed services look like, helping organizations of every size stay agile, maximize their IT investments and scale with confidence,” said Jennifer Follett, VP of U.S. Content and Executive Editor, CRN, The Channel Company. “These are the innovators who stay

ahead of customer needs and deliver transformative services that free businesses to focus on what they do best and accelerate their success.”

Bit by Bit has been delivering innovative, customized, managed IT solutions since 1987, helping organizations solve complex technology challenges while improving operational efficiency and resilience. With a focus on strategic IT alignment, proactive support, cybersecurity, and business continuity, Bit by Bit enables clients to maximize productivity and confidently navigate an evolving technology landscape. Their continued investment in service excellence, client experience, and forward-looking IT strategies contributed to their recognition on this year's MSP 500 list.

“We are honored to once again be recognized by CRN as one of North America's leading

managed service providers,” said Bruce Steinfeld, CEO and Founder of Bit by Bit. “This recognition reflects the dedication of our entire team and our unwavering commitment to delivering strategic, secure, and scalable IT solutions. Our mission is to empower our clients with technology that drives growth, strengthens resilience, and supports long-term success.” The MSP 500 list showcases and celebrates MSPs that are driving growth and innovation. These companies empower businesses with complex technologies so they can achieve their business goals without stretching financial resources.
