

Benjamin McGreevy Releases the First Book in a Multi-Volume Christian Devotional Series

ST. REGIS FALLS, NEW YORK, NY, UNITED STATES, February 18, 2026 /EINPresswire.com/ -- St. Regis Falls, New York — In an era where readers struggle to engage consistently and deeply with Scripture, scholar Benjamin McGreevy offers a compelling solution: a lifelong devotional companion that invites believers into God's Word, one verse at a time. His new book, GENESIS 1–11 (Where the Story Begins), marks the inaugural volume of the Verse by Verse: A Daily Devotional Through the Whole Bible series—an ambitious, Christ-centered project that reflects on all 31,102 verses of Scripture.

At its core, GENESIS 1–11 (Where the Story Begins) addresses a central challenge faced by modern readers of the Bible: how to move beyond surface-level reading into sustained, meaningful reflection. This approximately 740-page volume provides a meticulous verse-by-verse devotional commentary on Genesis chapters 1–11, guiding readers through Creation, the Fall, early genealogies, and the theological grounding of the Flood. McGreevy's thoughtful commentary accompanies each verse; however, what sets this book apart is its interactive nature, as it offers a dedicated journaling space for readers to reflect on each verse through personal notes, transforming reading into an active spiritual practice.

Designed as both a devotional and a study aid, the book opens with an introduction outlining the author's vision, followed by "A Practical Guide to Your Reflections," which equips readers to engage with the text intentionally. Each chapter concludes with a concise summary titled "Key Takeaways," reinforcing major theological insights and aiding long-term retention. The volume closes with a heartfelt call to action, inviting readers to "Help Others Get Into the Word Every Day."

In addition to the printed and audiobook editions, McGreevy is committed to making the

devotional accessible to those who may not be able to afford the book. He is currently posting five blogs per day on his website, systematically working through the text to provide free access to the devotional reflections. This initiative reflects the heart behind the series—helping others engage with God’s Word every day, regardless of financial circumstances.

Projected to span a remarkable 104 volumes, the Verse by Verse: A Daily Devotional Through the Whole Bible series is intended as the starting point for a lifetime of study, serving pastors, teachers, students of Scripture, and devoted lay readers seeking depth, clarity, and spiritual formation.
