

# AllShifts Earns Joint Commission Certification Reflecting the Highest National Standards for Safety and Quality of Care

*AllShifts earns the Joint Commission's Gold Seal of Approval®, recognizing its commitment to rigorous standards in healthcare staffing, safety, and quality.*

NEWARK, NJ, UNITED STATES, February 18, 2026 /EINPresswire.com/ -- AllShifts announced it has earned [the Joint Commission's Gold Seal of Approval®](#) certification for healthcare staffing, recognizing the organization's compliance with rigorous performance standards and its commitment to the highest national standards for safety and quality of care.

The Gold Seal of Approval® is a widely recognized symbol of quality that reflects an organization's dedication to meeting the Joint Commission's nationally developed standards. AllShifts earned this distinction following an evaluation process designed to assess performance in key areas such as patient safety, quality management, and continuous improvement—helping ensure healthcare staffing partners receive qualified, reliable support aligned with best practices.

"Earning the Joint Commission's Gold Seal of Approval® is a meaningful achievement for AllShifts and a testament to how seriously we take our responsibility in supporting patient care," said Ron Bhavnani, Chief Operating Officer, AllShifts. "This certification validates the work we've done to strengthen our processes, reinforce clinician readiness, and promote a culture of safety and accountability across our organization."

AllShifts will build on its quality framework by monitoring performance, identifying opportunities for improvement, and sustaining ongoing readiness through continuous evaluation and enhancement of its staffing and operational practices. Proud to be recognized by the Joint Commission, AllShifts will continue [raising the bar for healthcare staffing](#)—advancing safer, higher-quality care in every community served.

This certification validates the work we've done to strengthen our processes, reinforce clinician readiness, and promote a culture of safety and accountability across our organization."

*Ron Bhavnani, Chief  
Operating Officer, AllShifts*
