CHARLOTTE, FL, UNITED STATES, February 19, 2026 /EINPresswire.com/ -- With locations now in Charlotte, Durham, and Greensboro, the company delivers cost-effective [copier leasing](#), managed print services, and office technology solutions to businesses of all sizes statewide.

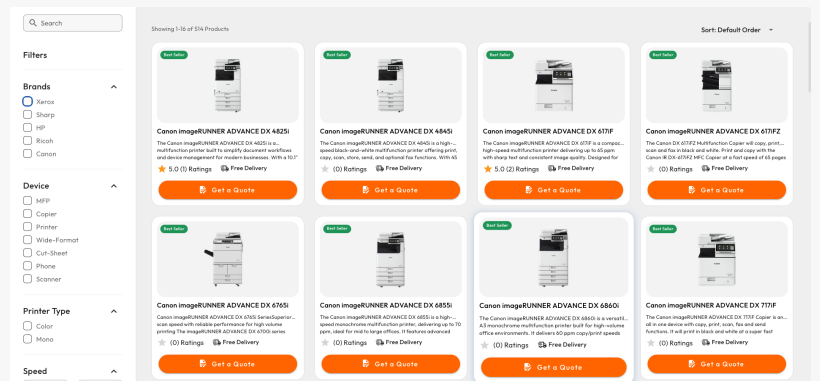

[Titan Office Solutions](#), a leading full-service dealer of copiers, laser printers, and office technology, today announced its continued expansion across North Carolina. With established offices in Charlotte, Durham, and Greensboro, the company is now serving hundreds of businesses throughout the state, providing access to premium office equipment at significantly reduced costs.

The expansion underscores a growing demand among North Carolina businesses for smarter, more cost-effective approaches to managing their printing and office technology needs. Through flexible copier leasing programs, managed print services, and comprehensive service agreements, Titan Office Solutions enables companies to upgrade to the latest equipment from industry-leading brands such as Sharp, Ricoh, Xerox, Konica Minolta, and Canon without the burden of large capital expenditures.

"Our mission has always been to help businesses do more with less," said a spokesperson for Titan Office Solutions. "As we expand our footprint across North Carolina, we're making it easier

than ever for companies to access high-performance copiers, printers, and office technology at prices that make sense for their bottom line. We've already helped over 300 businesses reduce their printing costs while improving productivity, and we're just getting started."

#### Driving Cost Savings for North Carolina Businesses

Titan Office Solutions specializes in eliminating the financial barriers that prevent businesses from accessing modern office equipment. Through its leasing and rental programs, companies can secure state-of-the-art copiers and multifunction printers with predictable monthly payments that include full maintenance, remote toner level tracking, and automated toner replenishment. This all-inclusive approach eliminates surprise repair bills and ensures businesses never experience downtime due to supply shortages.

Additionally, the company offers lease buyout options for businesses currently locked into costly agreements with other providers, enabling them to transition to better equipment and more favorable terms without penalty.

#### A Statewide Presence to Serve Every Market

With three strategically located offices across the state, Titan Office Solutions is positioned to deliver fast, responsive service to businesses in every major North Carolina market and beyond:

Charlotte (Headquarters)  
Durham/Raleigh  
Greensboro

This statewide presence allows Titan to provide rapid equipment delivery, on-site setup and networking, and ongoing technical support to businesses in Charlotte, Raleigh, Durham, Greensboro, Winston-Salem, and surrounding communities. The company also serves businesses throughout Virginia, including its Richmond office.

#### Comprehensive Solutions Beyond Copiers

Beyond copier leasing and sales, Titan Office Solutions provides a complete suite of office

technology services, including IT services, managed security solutions, print management programs, and office furniture. This comprehensive approach positions Titan as a single-source partner for businesses looking to modernize their entire office environment while keeping costs under control.

The company's streamlined process makes upgrading effortless: businesses simply share their printing needs, schedule a convenient delivery date, and Titan handles the complete setup, including networking equipment to all office devices.
