“

The response to our Arizona launch has been overwhelming, and it's clear that residents are looking for more than just billboard attorneys”

Bill Karns

Karns & Karns distinguishes itself from "billboard attorneys" by preparing every case for a jury. The firm's Arizona team provides expert, trial-ready representation across two primary divisions:

Personal Injury & Accident Litigation

Motor Vehicle & High-Impact Collisions: Comprehensive advocacy for car and motorcycle accidents throughout the Phoenix metro area and major interstates.

Truck & Commercial Vehicle Accidents: Holding large trucking companies and commercial

carriers accountable for safety violations and catastrophic injuries.

Wrongful Death Litigation: Providing a powerful voice for families who have lost loved ones due to the negligence of others.

Rideshare, Bus, & Public Transit Accidents: Specialized representation for those injured in Uber, Lyft, or Valley Metro incidents.

Slip and Fall / Premises Liability: Holding property owners accountable for dangerous conditions and preventable injuries.

"Our expansion in Arizona is driven by a commitment to provide residents with aggressive, elite legal support that doesn't just settle for what's easy," said Bill Karns, founding partner. "Whether you've been injured in a highway collision or a commercial truck accident, you deserve a trial team with the resources to win."

Specialized Survivor Advocacy & Sexual Abuse Division

In addition to its accident practice, Karns & Karns features a dedicated Sexual Abuse and Institutional Advocacy department. Led by trial attorney Darryl Meigs, this team handles high-stakes claims internally, focusing on:

Rideshare Sexual Abuse: Leading the fight for survivors in ongoing national litigation against major rideshare platforms.

Workplace Sexual Abuse & Misconduct: Pursuing justice for survivors of harassment and misconduct in professional settings.

Foster Care Negligence: Holding state agencies and private providers accountable for systemic failures and child abuse cases.

The Karns & Karns No-Fee Guarantee

As a family-owned firm, Karns & Karns operates on a No-Fee Guarantee. Arizona residents can access elite legal representation with zero out-of-pocket costs; the firm only receives a fee if a successful recovery is made.
