-- Reliable [Background Screening](#), a nationally recognized leader in compliant background screening and hiring risk mitigation, is proud to announce a strategic partnership with ClientTether, a franchise- focused CRM and automation platform. This collaboration brings together two industry innovators to help franchise brands and multi-location businesses streamline operations, strengthen compliance, and enhance candidate and client management across their organizations.

Through this new partnership, enterprises utilizing ClientTether can now integrate Reliable's comprehensive suite of background screening services directly into their systems. This combined solution supports cohesive workflows, minimizes operational friction, and delivers a more seamless experience.

"As organizations scale across regions and states, maintaining consistent compliance and reliable screening is more important than ever," said Rudy Troisi, Founder and CEO of Reliable Background Screening. "This partnership reduces risk by enabling standardized, automated processes that support smarter hiring decisions."

This partnership reflects a shared commitment to innovation, automation, and customer success. With integrated solutions from Reliable and ClientTether, franchise and multi- location brands can more effectively attract screen, and onboard talent while preserving compliance and brand integrity.
