

A Transformational Guide to Financial Freedom, Mindset, and Life Balance

DUBLIN, LEINSTER, IRELAND, February 23, 2026 /EINPresswire.com/ -- [Books To Life Marketing](#) proudly presents [Attitude, Abundance & Action](#) by [Kath Orman](#), an empowering personal growth and financial wellbeing book designed to help readers step into financial freedom while creating balance, fulfillment, and abundance across all areas of life. Blending practical financial planning with mindset mastery and spiritual awareness, Kath Orman offers readers a clear, relatable roadmap to break old cycles and consciously design a life aligned with purpose, joy, and prosperity.

Quote from the Author

“Empowering ourselves with increased knowledge and understanding creates a new energy. You are then ready to attract the abundance you desire. The cycle of the past can be broken.”

— Kath Orman

About the Author

Kath Orman is a seasoned financial planner, personal growth mentor, and holistic practitioner with more than three decades of experience helping individuals achieve clarity, confidence, and balance in their financial lives. She holds a Diploma of Financial Planning and is a Certified Financial Planner, having worked in the industry since 1987.

Kath founded Goals & Dreams Financial Planning Pty Ltd in 2001 and built the business with a deeply holistic philosophy—supporting clients not only financially, but emotionally and spiritually. In addition to her professional credentials, she is a Reiki healer, Angel Intuitive, published writer for *Holistic Bliss*, a former Transformologist® with the Institute of Women International™, and a Ringleader for wellness educator Don Tolman.

After eight years of thoughtful planning, Kath retired from her financial planning practice on June 30, 2025, entrusting it to two women she carefully selected to carry forward its values. She now embraces what she calls “Adventurement”—devoting her time to reaching a wider audience through her book and inspiring transformation across hearts, minds, and souls worldwide.

About the Book

Attitude, Abundance & Action demystifies the journey to financial freedom by showing readers how mindset, awareness, and practical action work together. Using relatable examples and clear guidance, Kath explains that financial planning is like a jigsaw puzzle—overwhelming at first, but far more manageable once the foundation pieces are in place.

Readers will explore how early influences, particularly parental attitudes toward money, shape lifelong beliefs—and experience powerful “lightbulb moments” as understanding grows. Each section of the book focuses individually on attitude, abundance, and action, before weaving them together in the final chapters to create a sustainable, empowering approach to life and finances.

This book is ideal for readers who want to:

- Take control of their financial future with clarity and confidence
- Shift limiting beliefs around money and abundance
- Create balance while attracting meaningful experiences, people, and opportunities
- Align financial success with personal growth and wellbeing

Testimonials from readers and clients highlight the book’s transformative impact.
