

NGMEDICAL REPORTS SUCCESSFUL 2025 AND SALES MILESTONE FOR MOVE®-C

NGMedical GmbH, a leading innovator in spinal motion preservation technology, reports significant growth in 2025

NONNWEILER, SAARLAND, GERMANY, February 23, 2026 /EINPresswire.com/ -- [NGMedical](#) reports another year of double-digit growth. In 2025 revenue grew 43 % above the previous year after 90 % growth in 2024. The biggest contribution to the successful development is MOVE®-C, the first and only articulating viscoelastic artificial disc. MOVE®-C sales grew by 60 % in 2025 above 2024.

In 2025 NGMedical could expand the sales network to 25 countries with product approvals amongst others in the USA, Australia and Mexico. MOVE®-C exceeded the significant milestone of 5,000 implants with excellent, up to 6 years, clinical results.

"With our focus on motion preservation and next generation implants like MOVE®-C and MOVE®-P, we are able to continue double-digit growth year over year. Unique products and a great team as well as excellent partners allow us to achieve such a wonderful development." said Peter Weiland, CEO at NGMedical.
