

Brent Cornish Releases Second Book, Renew, Refresh, Reload, Offering Message of Restoration and Hope

Christian author Brent Cornish releases his second book focused on spiritual renewal, hope, and rebuilding faith in difficult seasons.

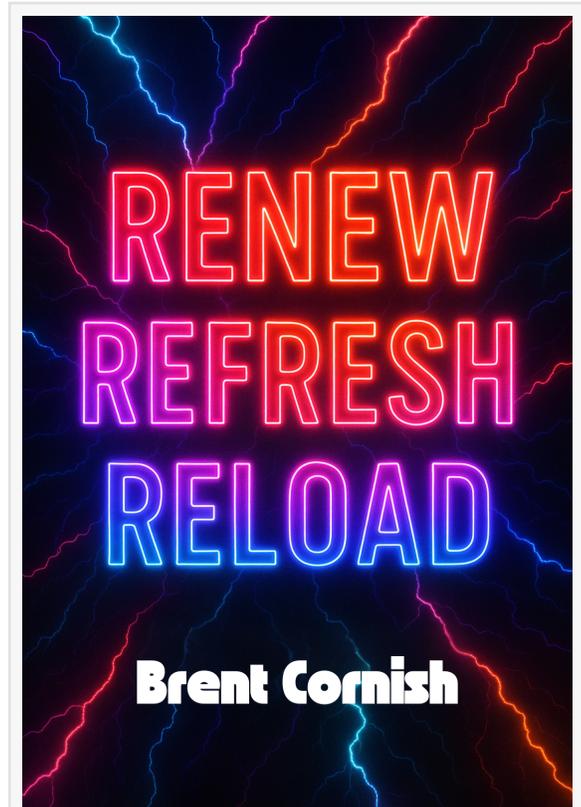

OKLAHOMA CITY, OK, UNITED STATES, February 25, 2026 /EINPresswire.com/ -- Ordained minister and author Brent Cornish announces the release of his second book, *Renew, Refresh, Reload*, a powerful and timely message centered on spiritual renewal, restoration, and rediscovering purpose in challenging seasons of life.

Following his first book, *Living in the Flow of Favor & Faith*, Cornish continues his journey of faith with a deeper and more personal work. *Renew, Refresh, Reload* was written during a season of reflection and spiritual recalibration, where he learned that sometimes God calls us not to push harder—but to pause, be restored, and prepare for what’s next.

In this new release, Cornish addresses spiritual fatigue, emotional pressure, and the quiet battles believers face behind the scenes. Through transparent reflection and faith-based encouragement, he reminds readers that renewal is not weakness—it is preparation. The book challenges individuals to allow God to renew their strength, refresh their spirit, and reload them for their next assignment.

“As believers, we often try to move forward without allowing God to restore what life has drained,” Cornish says. “This book is about learning to rest in God’s presence so you can be renewed in your purpose.”

Renew, Refresh, Reload is available for purchase directly through Brent Cornish’s website at a-firm-foundation.com.
