

# Employment Hero Named Among Best Australian & New Zealand Companies by G2

*Ranked #6 on G2's 2026 Best Software Awards, officially a Top 10 software company in ANZ*

AUSTRALIA, February 24, 2026 /EINPresswire.com/ -- Employment Hero, the global leader in HR, hiring and payroll software, today announced it has been ranked #6 on [G2's 2026 list of the Best Australian and New Zealand Companies](#), officially positioning the company as a Top 10 software company in ANZ.

This ranking places Employment Hero alongside global category leaders such as Canva and Atlassian, and establishes it as the highest-ranked workforce management platform in the region.

The G2 Best Software Awards are often referred to as the "People's Choice Awards" of the tech industry. As the world's largest and most trusted software marketplace, G2 determines its rankings through a rigorous analysis of authentic, verified reviews from real users. G2 reaches more than 100 million buyers annually.

To be ranked #6 out of more than 1,100 software vendors across Australia and New Zealand marks a significant milestone for [Employment Hero](#). The recognition reflects the trust placed in the platform by more than 350,000 businesses managing HR, payroll, recruitment, and employee engagement through its [AI-powered employment operating system](#).

"This award matters because it's decided by the people who use our platform every day," said Ben Thompson, CEO and Co-Founder of Employment Hero. "Ranking #6 across all software companies in Australia and New Zealand, and as the highest-ranked workforce management platform, shows businesses are choosing a better way to manage employment. I am so proud of our team: we now support more than 350,000 businesses facilitating over A\$140 billion in annual payments, reflecting real scale and a clear shift toward AI-powered infrastructure that takes care of the whole employment process, from recruitment through to payroll."

The ranking is built on honest feedback and ratings from G2 users, who evaluated Employment Hero on:

Ease of use – How quickly teams can adopt and benefit from the platform

Customer satisfaction – The quality of support and overall user experience

Market presence – Growth and momentum as the world's leading AI Employment Operating
