- HydraFacial, chemical peels, microneedling, laser hair removal, and IPL photofacial treatments

What Sets PURE Medical Spa Apart

PURE Medical Spa operates as a physician-supervised aesthetic practice focused on individualized treatment planning and patient care. Each treatment plan is developed based on the patient's facial anatomy, skin condition, and aesthetic goals.

Injectable treatments are performed using FDA-approved products sourced through authorized medical supply channels. The clinic follows established sterilization protocols and HIPAA-compliant patient care standards.

The practice's clinical team has extensive experience in aesthetic medicine and advanced injection techniques.

A Growing Presence

The Maumee location joins PURE's existing clinics across the Chicago metropolitan area, including North Dearborn (River North), Skokie, Oak Brook Terrace, and Roscoe Village. The addition of the Ohio clinic represents the company's continued geographic expansion.
