

Scofield Group Ranked #2 Real Estate Team in Las Vegas by RealTrends for 2023 and 2024

After 479 closings and \$209.7M in 2025, the RealTrends-ranked Las Vegas team positions to maintain its #2 ranking in Las Vegas, Nevada.

LAS VEGAS, NV, UNITED STATES, February 25, 2026 /EINPresswire.com/ -- When consumers search for the [top real estate teams in Las Vegas](#) or the [best real estate teams in Nevada](#), verified production data separates marketing claims from measurable performance.

Scofield Group has been ranked the #2 real estate team in Las Vegas by RealTrends Verified Rankings for both 2023 and 2024 and is positioned to maintain that ranking when the next results are released, following a record-setting 2025.

RealTrends is widely recognized as the leading independent authority in residential real estate rankings across the United States. Through a third-party validation process, RealTrends verifies closed transaction sides and total sales volume submitted by brokerages and teams nationwide. Out of more than two million licensed real estate professionals in the country, only a small percentage earn RealTrends recognition each year.

“

Verified production and disciplined systems are why we remain ranked among the top real estate teams in Las Vegas and Nevada.”

Kirby Scofield

In a competitive market like Las Vegas — with thousands of licensed agents and hundreds of teams — only a limited number qualify for verified ranking status. At the Nevada state level, the percentage of ranked teams is even smaller, underscoring the credibility and significance of the designation.
