

# Louise & Christopher B. Munday Foundation Awards Largest Scholarship Class in Program History

*The Louise & Christopher B. Munday Foundation has awarded 41 scholarships for the Spring 2026 semester, the largest number ever granted in a single term.*

SOUTHLAKE, TX, UNITED STATES, February 26, 2026 /EINPresswire.com/ -- The Louise & Christopher B. [Munday Foundation](#) has reached a new high point in its mission to support education, awarding 41 scholarships for the Spring 2026 semester, the largest number ever granted in a single term.

The milestone reflects the continued growth of the Foundation's scholarship program and its expanding reach nationwide. This semester's recipients represent a wide range of academic interests, institutions, and career paths, mirroring the nationwide footprint of the team members and families supported by the program.

## A Message from Our Leadership

Christopher B. Munday, Chairman and CEO, [2020 Companies](#), shared, "Our people do incredible work for our clients every day, and they are the reason 2020 Companies succeeds. This scholarship is one way we can give back and support the families behind that work. When we invest in the people who make it all possible, we strengthen not just our business, but the community we're building together."

## A Nationwide Network of Opportunity

Scholarship recipients are currently enrolled at colleges and universities across the United

States, including San Diego State University, Oklahoma State University, Eastern Oregon University, Georgia State University, Florida International University, and Baylor University.

Just as the people of 2020 Companies span markets nationwide, so too does the academic reach of the Foundation's scholarship recipients.

**Investing in Diverse Career Paths**  
This semester's scholars are pursuing degrees in fields that support both innovation and essential services, including Marketing, Computer Science and Cybersecurity, Construction Engineering, Journalism and Mass Communication, Supply Chain Management and Operations, and Physical Therapy. Together, these areas of study reflect the Foundation's commitment to supporting practical, future-forward education that opens doors across industries.

#### A Student Perspective

Bella Testerman, a scholarship recipient and dependent of a 2020 Companies team member, shared what the award means as she works toward her goal of becoming a veterinarian:

“I'm so honored to receive the Louise and Christopher B. Munday Scholarship as I navigate the rigors of biology and chemistry. The road to becoming a veterinarian is long, and as a Pre-Vet student coming from stretched resources, I find this support to be life-changing. Thank you for believing in me and my dream of becoming a vet.”

“

Our people do incredible work for our clients every day, and they are the reason 2020 Companies succeeds.”
