

UMF | PERFECT CLEAN ANNOUNCES HYGIENE SPECIALIST EXCELLENCE AWARD WINNERS

Recognizes Those Providing Exceptional Service to Education & Hospitality Environments

CHICAGO, IL, UNITED STATES, February 26, 2026 /EINPresswire.com/ -- [UMF|PerfectCLEAN](#) proudly announced the recipients of the Education and Hospitality Hygiene Specialist Excellence Awards. These awards recognize the hard-working people who keep education and hospitality spaces clean and safe for all of us.

Meaza Eyasu, an associate with the facility management team of The Westminster School in Atlanta,

Georgia, is this year's Education Hygiene Specialist Excellence Award recipient. Laura Corey, Environmental Services Manager, nominated Meaza because she embodies the spirit of the award. As Corey says, "I know that anything that is asked of her will be completed to the highest standard of excellence. She is a shining example to our students of what it truly means to take pride in one's work. Meaza is a valued asset to our school community, and we are deeply grateful for all that she contributes each day. We hope her hard work and dedication continue to be recognized and celebrated."

The Hospitality Hygiene Specialist Excellence Award was given to Cardine Johnson, Lead Room Attendant, of Topnotch Resort in Stowe, Vermont. Jeremy Fraize, Assistant General Manager, nominated Cardine because "(She) has been the uncontested backbone of our housekeeping team. She maintains an immaculate attendance record and understands that cleaning is not a spray-and-wipe process, but a spray, scour, rinse, and dry process, ensuring our customers never experience chemical residue. She is full of infectious energy and passion for what she does. She engages our customers; many know her by name, and many more reference "the wonderful housekeeper who cared for our room throughout the stay" in our customer feedback surveys."
