

# The Respectful Divorce Podcast Features Washington Collaborative Divorce Attorneys

OLYMPIA, WA, UNITED STATES, February 26, 2026 /EINPresswire.com/ -- Lucia Levias and Sarah Sannes, Washington Collaborative Divorce attorneys, were recently featured on The Respectful Divorce podcast highlighting the value of Collaborative Divorce and the upcoming Divorce With Respect Week® initiative. The Respectful Divorce Podcast talks with divorce professionals from around the country to explore different divorce options for people facing the reality of divorce.

“For most people, [divorce] is a very scary time with a lot of uncertainty; one of the things that people are most scared of is a judge—somebody that they don't know, that's not part of their family—making a decision about the most important things in their lives like their children, their money, and their home,” said Lucia. “It's really important for people, from the very beginning, to feel confident enough in their counsel that they can trust them and that they're going to be protected and safe as we go through [the divorce process],” promised Sarah.

Through March 1st to 8th, during Divorce With Respect Week® Collaborative Divorce professionals in Washington are offering free 30 minute virtual consultations. Anyone interested in speaking with a divorce attorney, divorce financial professional, divorce coach or mental health professional during Divorce With Respect Week can visit [www.divorcewithrespectweek.com](http://www.divorcewithrespectweek.com) to schedule a free consultation with a professional near them.
