NEW YORK, NY, UNITED STATES,
February 27, 2026 /EINPresswire.com/
-- The Worldwide [Tic Tac Toe](#)
Championship Has Begun
NYC Pop-Up Launch: Feb 23 | SXSW
Showdown: Mar 12-18

The Worldwide Tic Tac Toe Championship has launched, and with it comes a global skill reckoning led by a singular goal:

To prove once and for all who actually understands Tic Tac Toe—and who's been bluffing since 3rd grade.

Created by comedian, inventor, and self-declared supervillain Victor Varnado (PKA King Supernuts), the

tournament transforms Tic Tac Toe into a legitimate esports format with real-time rankings, puzzle variants, timed matches, and large-scale board expansions (3x3 to 5x5). What begins as a joke ends as a war for leaderboard dominance.

“

“You think you're good at Tic Tac Toe? You're probably not. I do not think I am wrong but you can easily prove me otherwise if you do not suck at Tic Tac Toe. I have spoken.” — King Supernuts”
