

Velocity 360 USA Training Announces Enhanced Global Checkout for Exemplar Global Certified Auditor Training Programs

ST. PETERSBURG, FL, UNITED STATES, March 2, 2026 /EINPresswire.com/ -- [Velocity 360 USA Training](#), the gold standard in Exemplar Global certified auditor training, is proud to announce a significant upgrade to its international student experience. Starting today, the company is launching Local Currency at Checkout, a feature designed to provide a transparent and seamless enrollment process for its growing global audience of ISO management system professionals.

As a premier provider of Exemplar Global certified auditor training solutions, Velocity 360 USA

“

Our mission is to provide world-class auditor training without borders, maintaining the high standards expected of Exemplar Global certified auditor training programs”

Ashton M. Crowder, General Manager

Training recognizes that international auditors and students often face hurdles with fluctuating exchange rates. This new integration, powered by Thinkific Payments, automatically converts course prices into the buyer’s local currency using real-time exchange rates at the moment of purchase.

“Our mission is to provide world-class auditor training without borders, maintaining the high standards expected of Exemplar Global certified auditor training programs,” said Ashton M. Crowder, General Manager at Velocity 360 USA Training. “By providing familiar local pricing across

more than 150 countries, we are removing the financial guesswork for our international partners and building deeper trust through price transparency”.

Key Features of the New Checkout Experience:

- Instant Currency Conversion: International students will see Exemplar Global course prices

automatically adjusted to their local currency based on their location.

- Real-Time Accuracy: All background conversions are handled seamlessly using live exchange rates.
- Global Trust & Transparency: The feature supports local pricing in over 150 countries, creating a smoother enrollment experience for auditors worldwide.
- No-Hassle Enrollment: The system is fully integrated into the Velocity 360 platform, requiring no setup or additional steps from the student to activate localized pricing.

"This launch is a critical milestone in our strategic expansion across North America and beyond," said Hailey B. Crowder, Director of Global Sales and Marketing at Velocity 360 USA Training. "By enabling seamless transactions in local currencies, we are eliminating barriers for our partners in Canada, Mexico, and Australia. This feature ensures that high-caliber auditor training is more accessible than ever, allowing us to better serve these key markets with the transparency and professional ease they deserve."

About Velocity 360 USA Training

Velocity 360 USA Training is a leading global provider of Exemplar Global certified auditor training and auditor certification solutions. Headquartered in St. Petersburg, Florida, the company specializes in high-impact ISO Management System training across critical sectors including Aerospace, Automotive, Environmental, Health & Safety, Medical Devices, Quality, Information Security, and Artificial Intelligence. Velocity 360 operates at the intersection of a rapidly expanding \$320 billion global e-learning market, which is projected to grow at a 9.1% CAGR through 2026.

As industries navigate increasing regulatory complexities, the global management system certification market is forecast to reach \$63.7 billion by 2034, with North America remaining a primary revenue leader at over \$14.5 billion. Velocity 360 USA Training addresses this critical demand by delivering "Gold Standard" auditor education that has empowered over 12,000 auditors globally and maintains a 99.8% customer satisfaction rating. By integrating advanced cloud-based technologies, the company continues to scale its mission of closing the global skill gap and equipping professionals with the "focused career currency" of world-recognized auditor certifications.
