

Pulse Medical Assistant School to Debut 16-Week Medical Assistant Program in Norman This Spring

Pulse Medical Assistant School will open its Norman campus this spring, offering a 16-week, hands-on medical assistant program.

NORMAN, OK, UNITED STATES, March 3, 2026 /EINPresswire.com/ -- Pulse Medical Assistant School is expanding its footprint in Oklahoma with the launch of a new campus in Norman this spring. Located at 2268 36th Ave NW, Suite 100, the campus will offer a comprehensive 16-week medical assistant program designed to provide students with extended hands-on training and real-world clinical experience.

The program combines structured online coursework with in-person labs and practical instruction delivered inside a working medical practice. Students will build competencies in patient intake, vital signs, clinical documentation, procedural assistance, and medical office workflow.

Through a partnership with [GameDay Men's Health - Norman](#), students will train in an active healthcare setting, gaining exposure to day-to-day patient care and clinical operations.

"Norman is a growing community with increasing demand for trained healthcare professionals," said Chris Lofton, CEO of [Zollege](#). "Our 16-week program ensures students receive meaningful clinical repetition and preparation before entering the workforce."

The spring cohort will mark the first class at the Norman location, with enrollment currently open. [Apply here](#).
