

# Pentagon 2000 Appoints Guy Danon as Global Head of Sales and Marketing

*Guy Danon has been promoted to Global Head of Sales and Marketing. With years of experience, he will now drive Pentagon 2000's global sales and marketing.*

NEW YORK, NY, UNITED STATES, March 3, 2026 /EINPresswire.com/ -- Pentagon 2000 Software, Inc., a leading provider of ERP and business management solutions for aviation, defense, and high-tech industries, continues to strengthen its global presence. With new partnerships and an expanding customer base across multiple regions, the company is entering the next phase of international growth.

To support this momentum, Pentagon 2000 has promoted Guy Danon, previously Managing Director Europe, to Global Head of Sales and Marketing – a move that reflects the company's strategy of developing internal talent to lead its global expansion.

## Driving Global Growth

For over 40 years, Pentagon 2000 has been a leading supplier of fully integrated enterprise software systems”

*Pentagon 2000*

Guy Danon

PENTAGON 2000SQL

Building on Pentagon 2000's continued international expansion, including the establishment of its European HQ offices in Paris, France, Guy Danon will now lead the company's global sales and marketing operations.

With over 25 years of experience in various international enterprise software roles, Guy brings a proven track record of building teams internationally. His expertise, combined with Pentagon 2000's ongoing commitment to delivering

innovation to its customers, including its latest release, Pentagon Upstream, strengthens the company's ability to support global growth and customer success.

"Following Guy's performance as Managing Director Europe, he has consistently exceeded expectations and demonstrated exceptional leadership," said Yossi Mofaz, Co-Founder & Board Member. "We are confident that in this expanded role, he will further strengthen our global footprint and enhance the value we deliver to our customers."

"I am honored to take on this new role and the increased responsibilities that come with it," said Guy Danon.

"Pentagon 2000 has built a strong reputation for delivering a world-class, rock-solid system, reinforced by

ongoing innovation that results in a market-disruptive value proposition. I am looking forward to working closely with our customers, partners and continue expanding our growth worldwide."

About Pentagon 2000 Software, Inc.

Since 1986, Pentagon 2000 Software provides fully integrated ERP systems tailored for the Aerospace, Defense, Electronics Component, Fasteners, and High-Tech manufacturing sectors. Pentagon 2000 platform enables an end-to-end operational management of companies, including rich reporting and analytics capabilities, empowered by advanced industry-specific logic, AI capabilities, and comprehensive technologies. It has licensed at over 1,000 customer locations all around the world.

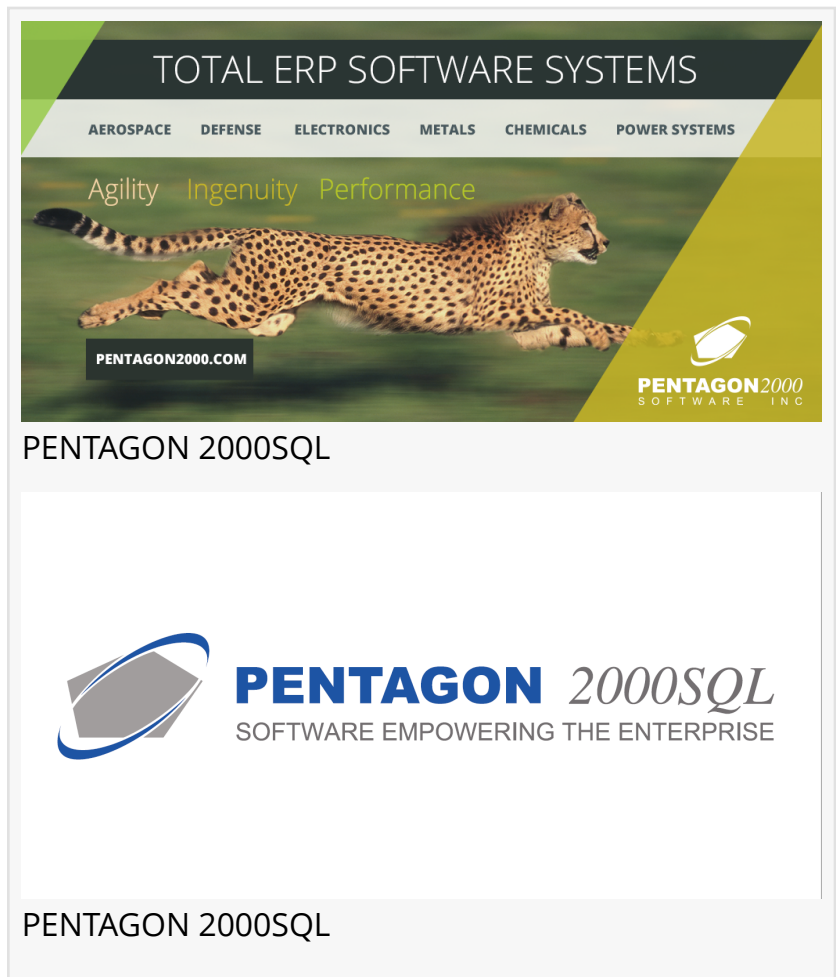

What's Next?

As Pentagon 2000 continues to expand its global footprint, the company invites organizations seeking to enhance traceability, improve compliance, and scale efficiently to connect and discover why everyone is choosing Pentagon 2000. With its expansion of its partner eco-system, Pentagon 2000 invites interested partners to signal their interest.

The advertisement is a vertical rectangular graphic. At the top, a dark green banner contains the text "TOTAL ERP SOFTWARE SYSTEMS" in white. Below this, a horizontal bar lists industry sectors: "AEROSPACE", "DEFENSE", "ELECTRONICS", "METALS", "CHEMICALS", and "POWER SYSTEMS". The main body of the ad features a cheetah in a running pose against a green background. Above the cheetah, the words "Agility", "Ingenuity", and "Performance" are written in a light green font. In the bottom left corner of the cheetah image, there is a small black box with the text "PENTAGON2000.COM". In the bottom right corner, the Pentagon 2000 logo is displayed, consisting of a stylized blue and grey shape next to the text "PENTAGON2000 SOFTWARE INC.". Below the main image area, the text "PENTAGON 2000SQL" is written in a bold, black font. At the bottom of the ad, the Pentagon 2000 logo is shown again, followed by the text "PENTAGON 2000SQL" and "SOFTWARE EMPOWERING THE ENTERPRISE" in a smaller font.
