

'TRUMP, MUSK, OR ZUCK?': Software Engineer turned Trump Impersonator Austin Nasso Embarks on Debut National Comedy Tour

NEW YORK, NY, UNITED STATES, March 4, 2026 /EINPresswire.com/ -- Following the release of his debut comedy special *Impressionable Youth*—which garnered critical acclaim including, from one Redditor, “yours is my favorite Trump”; another fan admitted he’s “been following [Austin] around for some time. Physically”— former Microsoft software engineer and comedy sensation Austin Nasso (2M+ followers) has officially announced his 2026 national stand-up tour: “Choose Your Character.”

The tour will see Nasso, who Andrew Yeung has called “the king of tech bros,” bring insider-driven roasts of tech culture and world-class impressions to over 30 cities across North America, including major stops in Los Angeles, Chicago, Seattle, and Toronto. Nasso’s impressions of Donald Trump, Joe Biden, Elon Musk, and Mark Zuckerberg have been known to make fans “laugh so hard [I got a headache];” his brand new set promises to deliver biting commentary that will leave fans wondering how he worked in Big Tech for as long as he did.

When Nasso’s not doing solo stand-up, he can be found on stage alongside his co-founders and fellow ex-techies, Jesse Warren and Nikita Oster, hosting *Tech Roast Show* (2M+ followers across platforms), an internationally touring comedy show that live-roasts willing participants.

“Choose Your Character” kicks off March 25th, 2026 in Indianapolis, IN, and draws to a close on June 5th, 2026, back in New York City.

Austin Nasso is a former Microsoft software engineer turned full-time comedian and impressionist. He first realized he had a knack for impressions when he would mimic SpongeBob
