

# Stratus® Welcomes PVEDI to Its Growing National Presence, Expanding Capabilities

*Stratus® acquires PVEDI, adding 160+ professionals and expanding its multidisciplinary design capabilities and national presence.*

PITTSBURGH, PA, UNITED STATES,  
March 4, 2026 /EINPresswire.com/ --

Stratus Team, LLC ("Stratus"), an integrated engineering, architecture, and consulting firm, today announced the acquisition of PVEDI, a global architecture, engineering, interior design, and planning firm specializing in residential, hospitality, leisure, and commercial properties.

“

Uniting our expertise allows us to provide more comprehensive solutions and create new opportunities for both our clients and teams.”

*Brandon Enochs, CEO of  
Stratus*

This strategic combination expands Stratus’ expertise in land development, environmental, structural, and mid/high-rise residential design while extending its national reach through PVEDI’s seven offices across the U.S. PVEDI also adds landscape architecture and geotechnical engineering to Stratus’ growing portfolio of multidisciplinary offerings.

PVEDI brings more than 160 professionals, including civil, mechanical, and structural engineers, architects, geologists, landscape architects, surveyors, and interior

designers. The firm is recognized for its innovative, sustainable, and client-focused approach to complex design challenges across commercial and civic projects.

“This partnership brings together two highly compatible firms that share a vision for delivering exceptional client service,” said Brandon Enochs, CEO of Stratus. “Uniting our expertise allows us to provide more comprehensive solutions and create new opportunities for both our clients and teams.”

“Joining Stratus strengthens our ability to deliver even more value to our clients through expanded multidisciplinary expertise,” said James M. Venture, CEO of PVEDI. “By combining our teams, we can bring broader technical depth and more integrated solutions to complex projects, while creating new opportunities for our professionals to work together across a larger

organization.”

“This acquisition reflects our disciplined approach to growth and value creation,” said Mike Burke, Chairman of Stratus’ Board of Directors and former Chairman and CEO of AECOM. “We believe adding PVEDI’s expertise and talented team strengthens Stratus’ market position and supports our strategy to build a diversified, high-performing organization capable of serving clients across more sectors and regions.”

With offices in Pittsburgh, PA; New York City; Hudson Valley, NY; Hartford, CT; Houston, TX; Austin, TX; and San Francisco, CA, PVEDI meaningfully expands Stratus’ footprint and reinforces its position as a nationwide provider of comprehensive design and consulting services.

#### About Stratus®

Stratus® is an integrated, multi-disciplinary engineering, architecture, and consulting firm. Consistently ranking among the Top 500 Design Firms in Engineering News-Record, the firm offers a deep bench of industry experts through a highly collaborative approach, delivering innovative solutions across the full project lifecycle. Operating coast to coast, Stratus serves clients nationwide while maintaining a strategic commitment to supporting high-growth economies and building vibrant communities that foster the professional growth of its team. Serving public- and private-sector clients, the firm is dedicated to delivering the highest-quality service, wherever projects take shape.
