

# THE FUTURE OF TATTOO REMOVAL IS NOW IN WYOMING — INKLESS OPENS ITS 6th U.S. LOCATION IN CASPER

*National tattoo removal brand brings world-class PicoWay laser technology to Wyoming for the first time*

CASPER, WY, UNITED STATES, March 5, 2026 /EINPresswire.com/ -- [Inkless](#) Tattoo Removal, a national leader in advanced tattoo removal services, has opened its newest clinic in Casper, WY. Launched this month in partnership with Ward and Rachel Bowron, owners of Wyoming Wound Care, the clinic brings cutting-edge PicoWay laser tattoo removal and marks Inkless's first location in the state. For Wyoming residents who have long had to travel out of state for quality tattoo removal, the new clinic represents a transformative local option.

"Coming to Casper is something we're truly excited about," said Jeff Garnett, CEO and Co-Founder of Inkless Tattoo Removal. "Ward and Rachel have already built something really special with Wyoming Wound Care — a practice grounded in trust, clinical expertise, and genuine community care. That's exactly the kind of partnership Inkless looks for when we enter a new market. Wyoming deserves access to high quality tattoo removal at affordable prices, and now they have it right here in Casper."

"We are thrilled to join Jeff and Lorenzo in their mission to create the best overall tattoo removal experience in the industry. Their experience, technology and empathetic approach to client satisfaction aligns perfectly with our own core values" said Ward Bowron.

"Our expansion into Wyoming reflects a core belief — that world-class tattoo removal shouldn't

be limited to large cities," added Lorenzo Kunze, Co-Founder of Inkless and CEO of the International Laser Academy. "We're proud to bring the world's newest and most advanced laser technology to Casper, and we're confident the community is going to LOVE our flawless results."

To celebrate the grand opening, Inkless Casper is offering a \$100 first-session special (a \$200–\$500 value) with no contracts or obligations.

The Casper clinic is Inkless's 6th U.S. location, joining clinics in Denver, Manhattan, Philadelphia, Oceanside (NY), and Wayne (NJ). The company has set its sights on 12 locations by the end of 2026 and 30 locations by the end of 2027, with continued expansion across the U.S. and Canada.
