announces the launch of DAG Cares. DAG Cares is an initiative designed to extend the firm’s advocacy efforts beyond legal representation and into the heart of the communities it serves.

Through DAG Cares, Disability Advocates Group will partner with nonprofits and community organizations that advocate for accessibility, inclusion, and support for

individuals living with disabilities. The initiative includes sponsoring local events, supporting condition-specific organizations, and engaging in community outreach efforts – reflecting the firm’s core belief that true advocacy does not stop at legal services.

“Every day, we work alongside individuals whose disabilities have upended their lives and livelihoods,” said [Michelle J. Shvarts](#), Principal Attorney of Disability Advocates Group. “DAG Cares is our way of showing up for those same communities even when there is no case to file. Advocacy means investing in a more accessible and inclusive world – and that is exactly what this initiative is about.”

### Inaugural DAG Cares Sponsorships and Events

As part of the initiative’s launch, Disability Advocates Group has already committed to three partnerships in Florida:

Disability Advocates Group is a proud sponsor of the [Uniquely Autism 5K & Fun Walk](#), taking place April 4, 2026, in Port St. Lucie. This annual event celebrates neurodiversity, promotes

inclusion, and brings families and community members together in support of individuals on the autism spectrum. Proceeds benefit Surfers for Autism, a local nonprofit that provides adaptive surfing programs for children and adults with autism and other developmental delays.

The firm is also a sponsor of Ms. Arc Broward, a children's beauty pageant in the Fort Lauderdale area for children with special needs. The event uplifts and celebrates young individuals with disabilities, highlighting their talents, confidence, and spirit.

Additionally, Disability Advocates Group will participate in and fundraise for the Epilepsy Walk in Miami, standing alongside families and individuals impacted by epilepsy and lending both its voice and resources to this important cause.

These sponsorships mark the beginning of a broader, ongoing commitment. Disability Advocates Group plans to sponsor and participate in events throughout Florida in the months ahead, with additional partnerships to be announced as the DAG Cares program grows.
